- No formula!
 - Odds vary, and are against you (particularly the longer you play random/chance games like slots or roulette)
-

- Lottery wins
 - Slot machines
 - Electing for slot machine play
-

- Are the wins relatively big/life-changing?
- Transits/directions reflect the outcome of the win (from freedom, leaving job, new home ... to unwanted attention/envy, disorientation, stresses)
- You have to participate to win (and lose)!

- Moon conjunct Jupiter in 8th/9th (Jupiter rules MC and 2nd) opposite Uranus in Aries
- Sun-Mars in Aries in the 2nd

5th: Fun, play, gambling

8th: Extremes, crisis, do or die, other people's money

Some observations

- Uranus
 - Sudden change to existing pattern
-
- 2nd (cash flow), 5th (speculation, fun) and 8th (other people's money, financial worth, win or die) houses
 - Sesquiquadrate (\square 135°) - links 5th and 8th
-
- Jupiter (expansion, lady luck, big wins/losses)
 - 9th house (hope for future)
 - Longing; *if only*; lottery will rescue me (Pisces)
 - Expecting; *it's gonna be my day* (Sagittarius)

Lois Rodden's *Money: How to Find it with Astrology*

6 of 7 of the following in **natal** chart:

- Trines (Δ , or Grand Trine) with Υ , esp ♀ or ♃ (or p. Υ in trine)
- At least one trine to ♃
- ♃ in aspect to ♁
- ♂ in aspect to ♃ or ♁
- Natal or p. ♀ or ♃ aspecting ♁
- Natal or p. ♀ or ♃ retrograde (♁)
- Natal or p. ♀ conjunct or opposite ruler of 2nd
- Natal sesquiquadrates (♁)
- Natal or p. 12th house to 2nd and/or 8th (retirement?)
- TR ♁ to natal or p. MC or ASC

At the times of major wins ...

-
- Sesquiquadrates (♁) by Solar Arc direction
 - ... or sometimes a natal sesquiquadrate triggered by transit or direction
-
- A disruption, a chance to take a different route; an unexpected detour; a quantum leap
 - Uranian feel to the aspect (disruptive, trail-blazing)
 - Rodden: "Conditions never go entirely back to where they were before."
 - Literally difficult to see in the chart

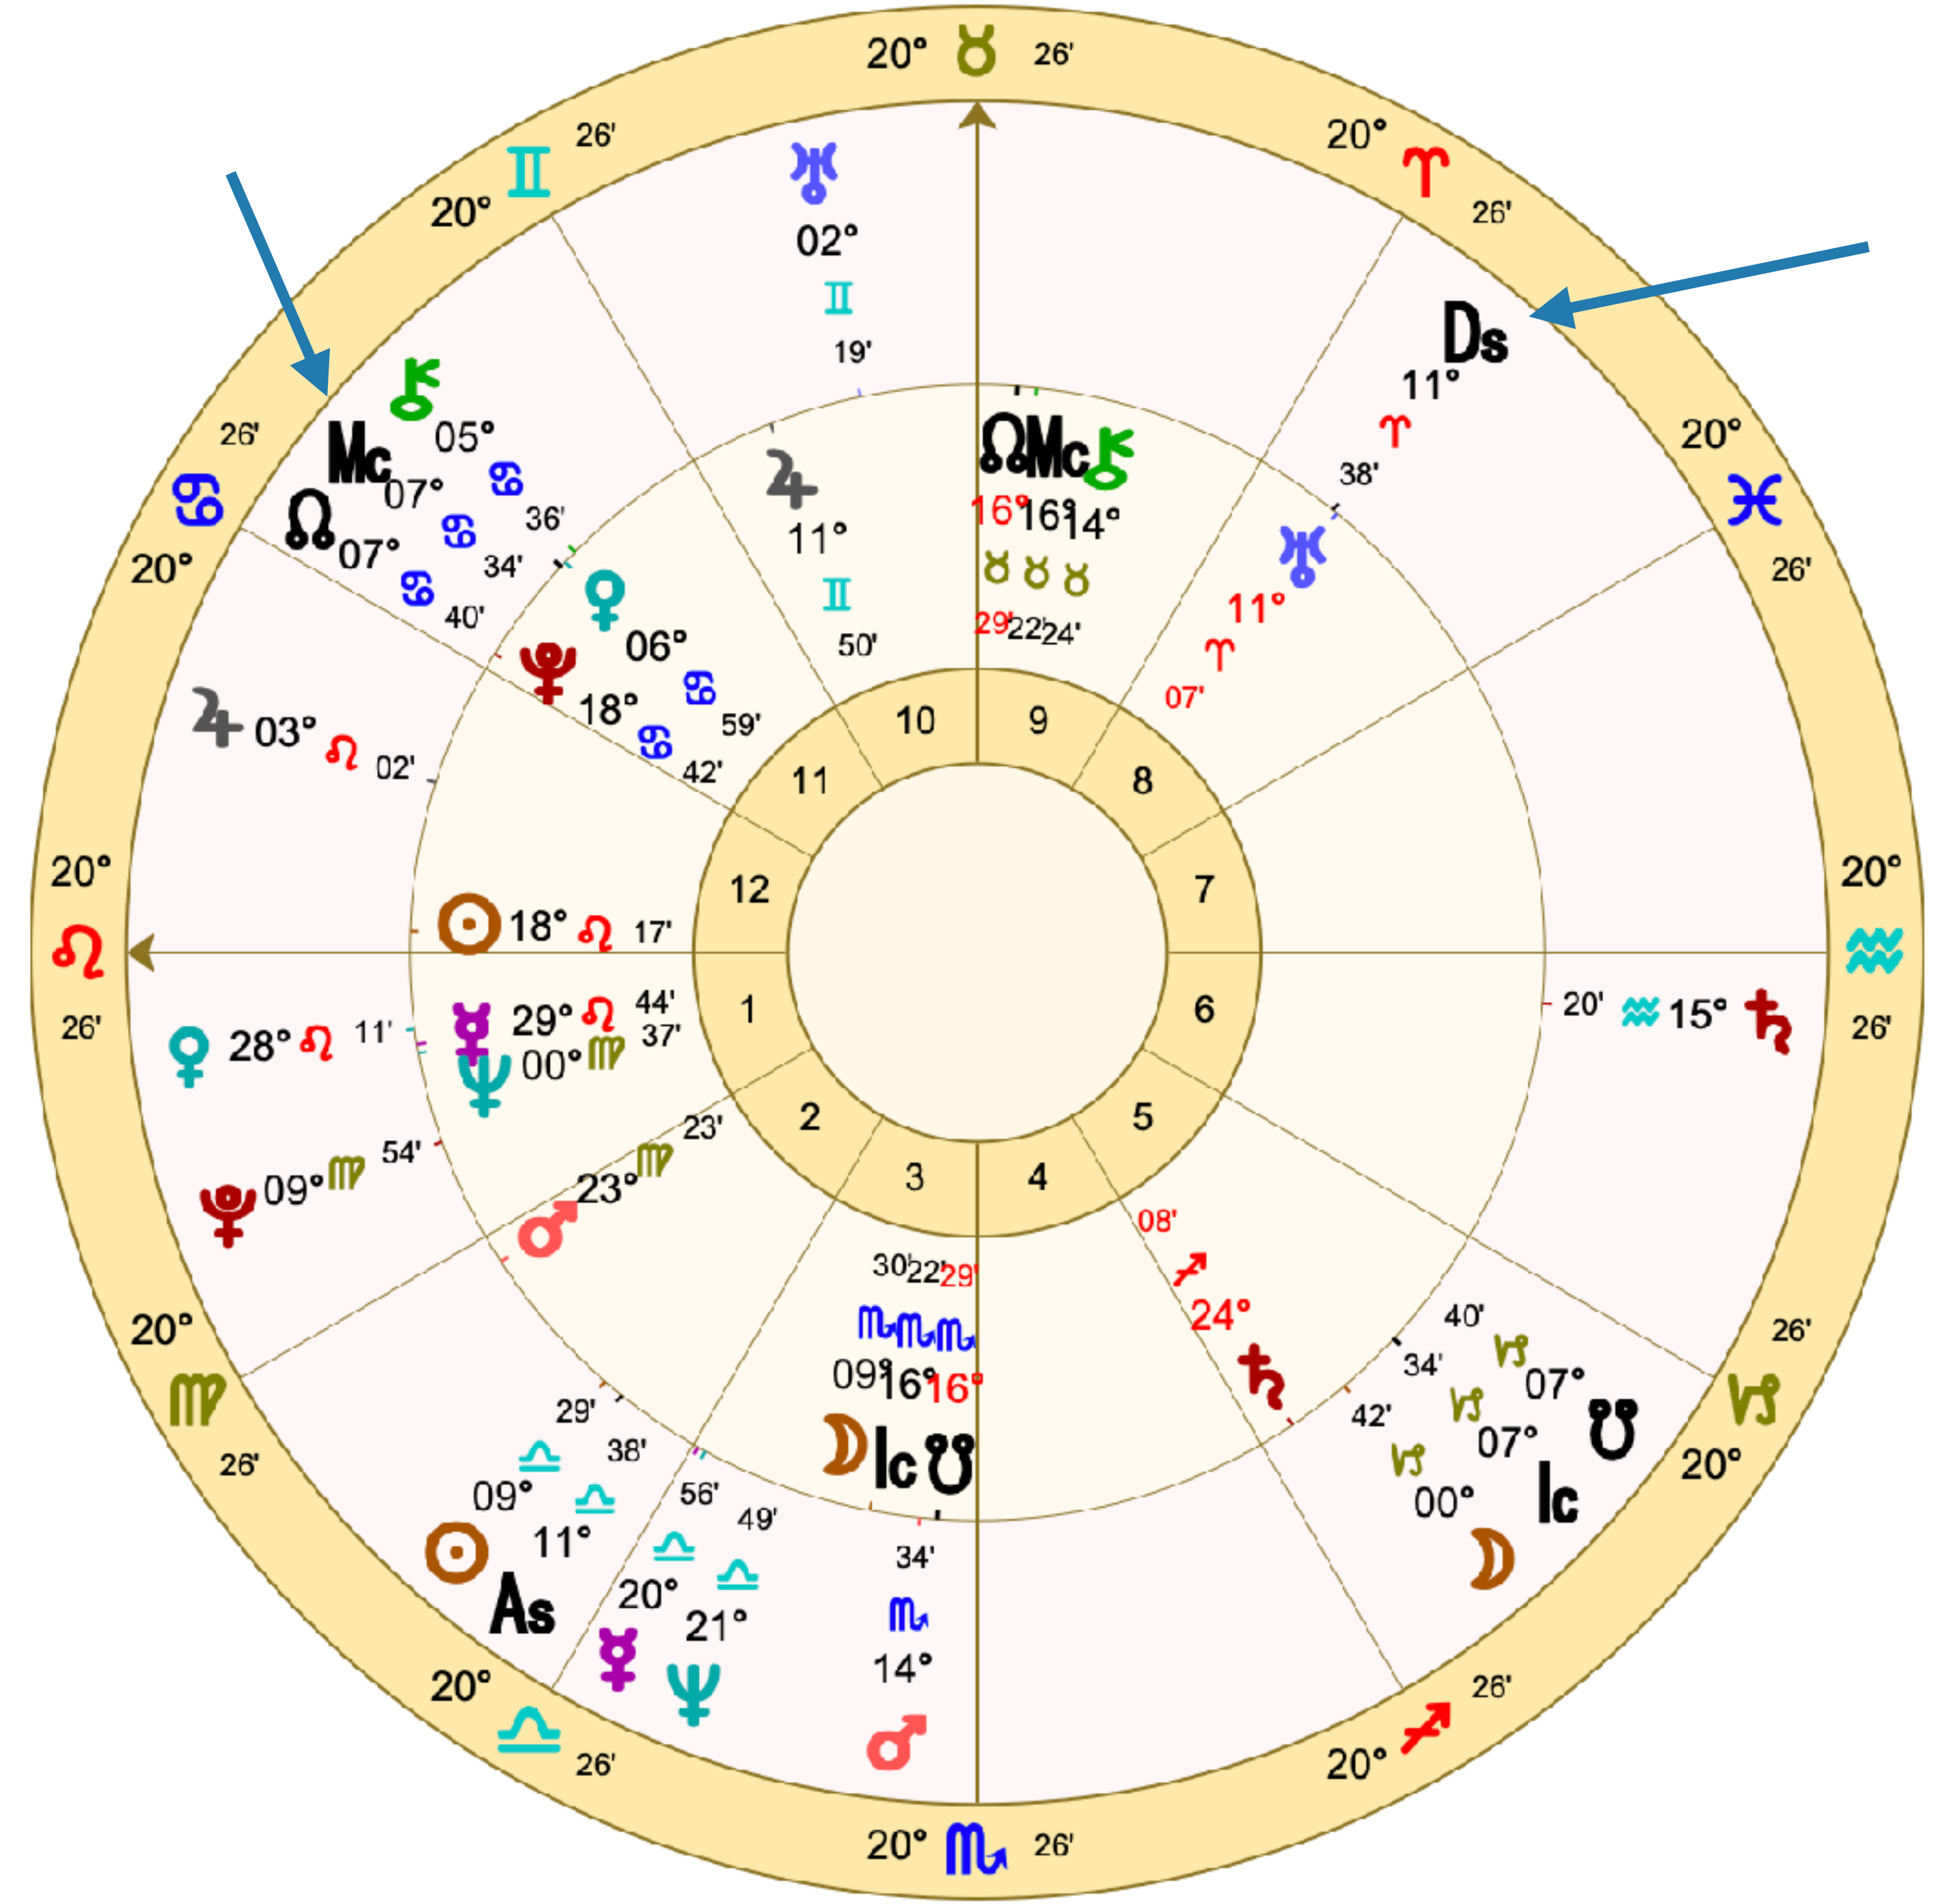

At the times of major wins ...

-
- The 2nd and 8th house or their rulers are usually activated numerous times by transit and/or direction
 - The 5th house is implicated when there's play/gambling (not lotteries unless regular)
-
- Big wins are often around times of generic transits (TR Neptune square natal Neptune, TR Uranus opposite natal or directed Uranus)
 - Use modern house rulers for big wins!

Summary

At the times of major wins ...

-
- Sesquiquadrates by Solar Arc involving planetary rulers of the 2nd, 5th and 8th
 - Uranus activated
 - 2nd, 5th or 8th activated
-

Look out for:

- Jupiter activated (and Venus)
- Natal chart potentials triggered
- Transits by conjunction to the directed MC or ASC
- Saturn or Pluto transits that follow (the taxman!)

Active participation! Average/big wins: gamble at times of major transits and directions
Small wins: gamble at times of day when Venus, Jupiter and angles trigger your natal chart

Electional Astrology for Small Wins

- Choose a day when Venus or Jupiter (benefics) and (less so) the Sun - or your ASC or MC - are activated in your natal chart by **transiting Venus or Jupiter**
- Prioritise the conjunction and trine, for instance:
 - TR Sun conjunct natal Jupiter
 - TR Venus trine natal Jupiter
 - TR Jupiter trine natal Venus
 - TR Venus conjunct natal Midheaven
- Look for backup from the Moon (applying aspects during your time at the casino) - e.g. transiting Moon approaching a trine to your Venus or a conjunction to your Jupiter

Or consider aspects from the benefics to your 'money planet' (money from others)

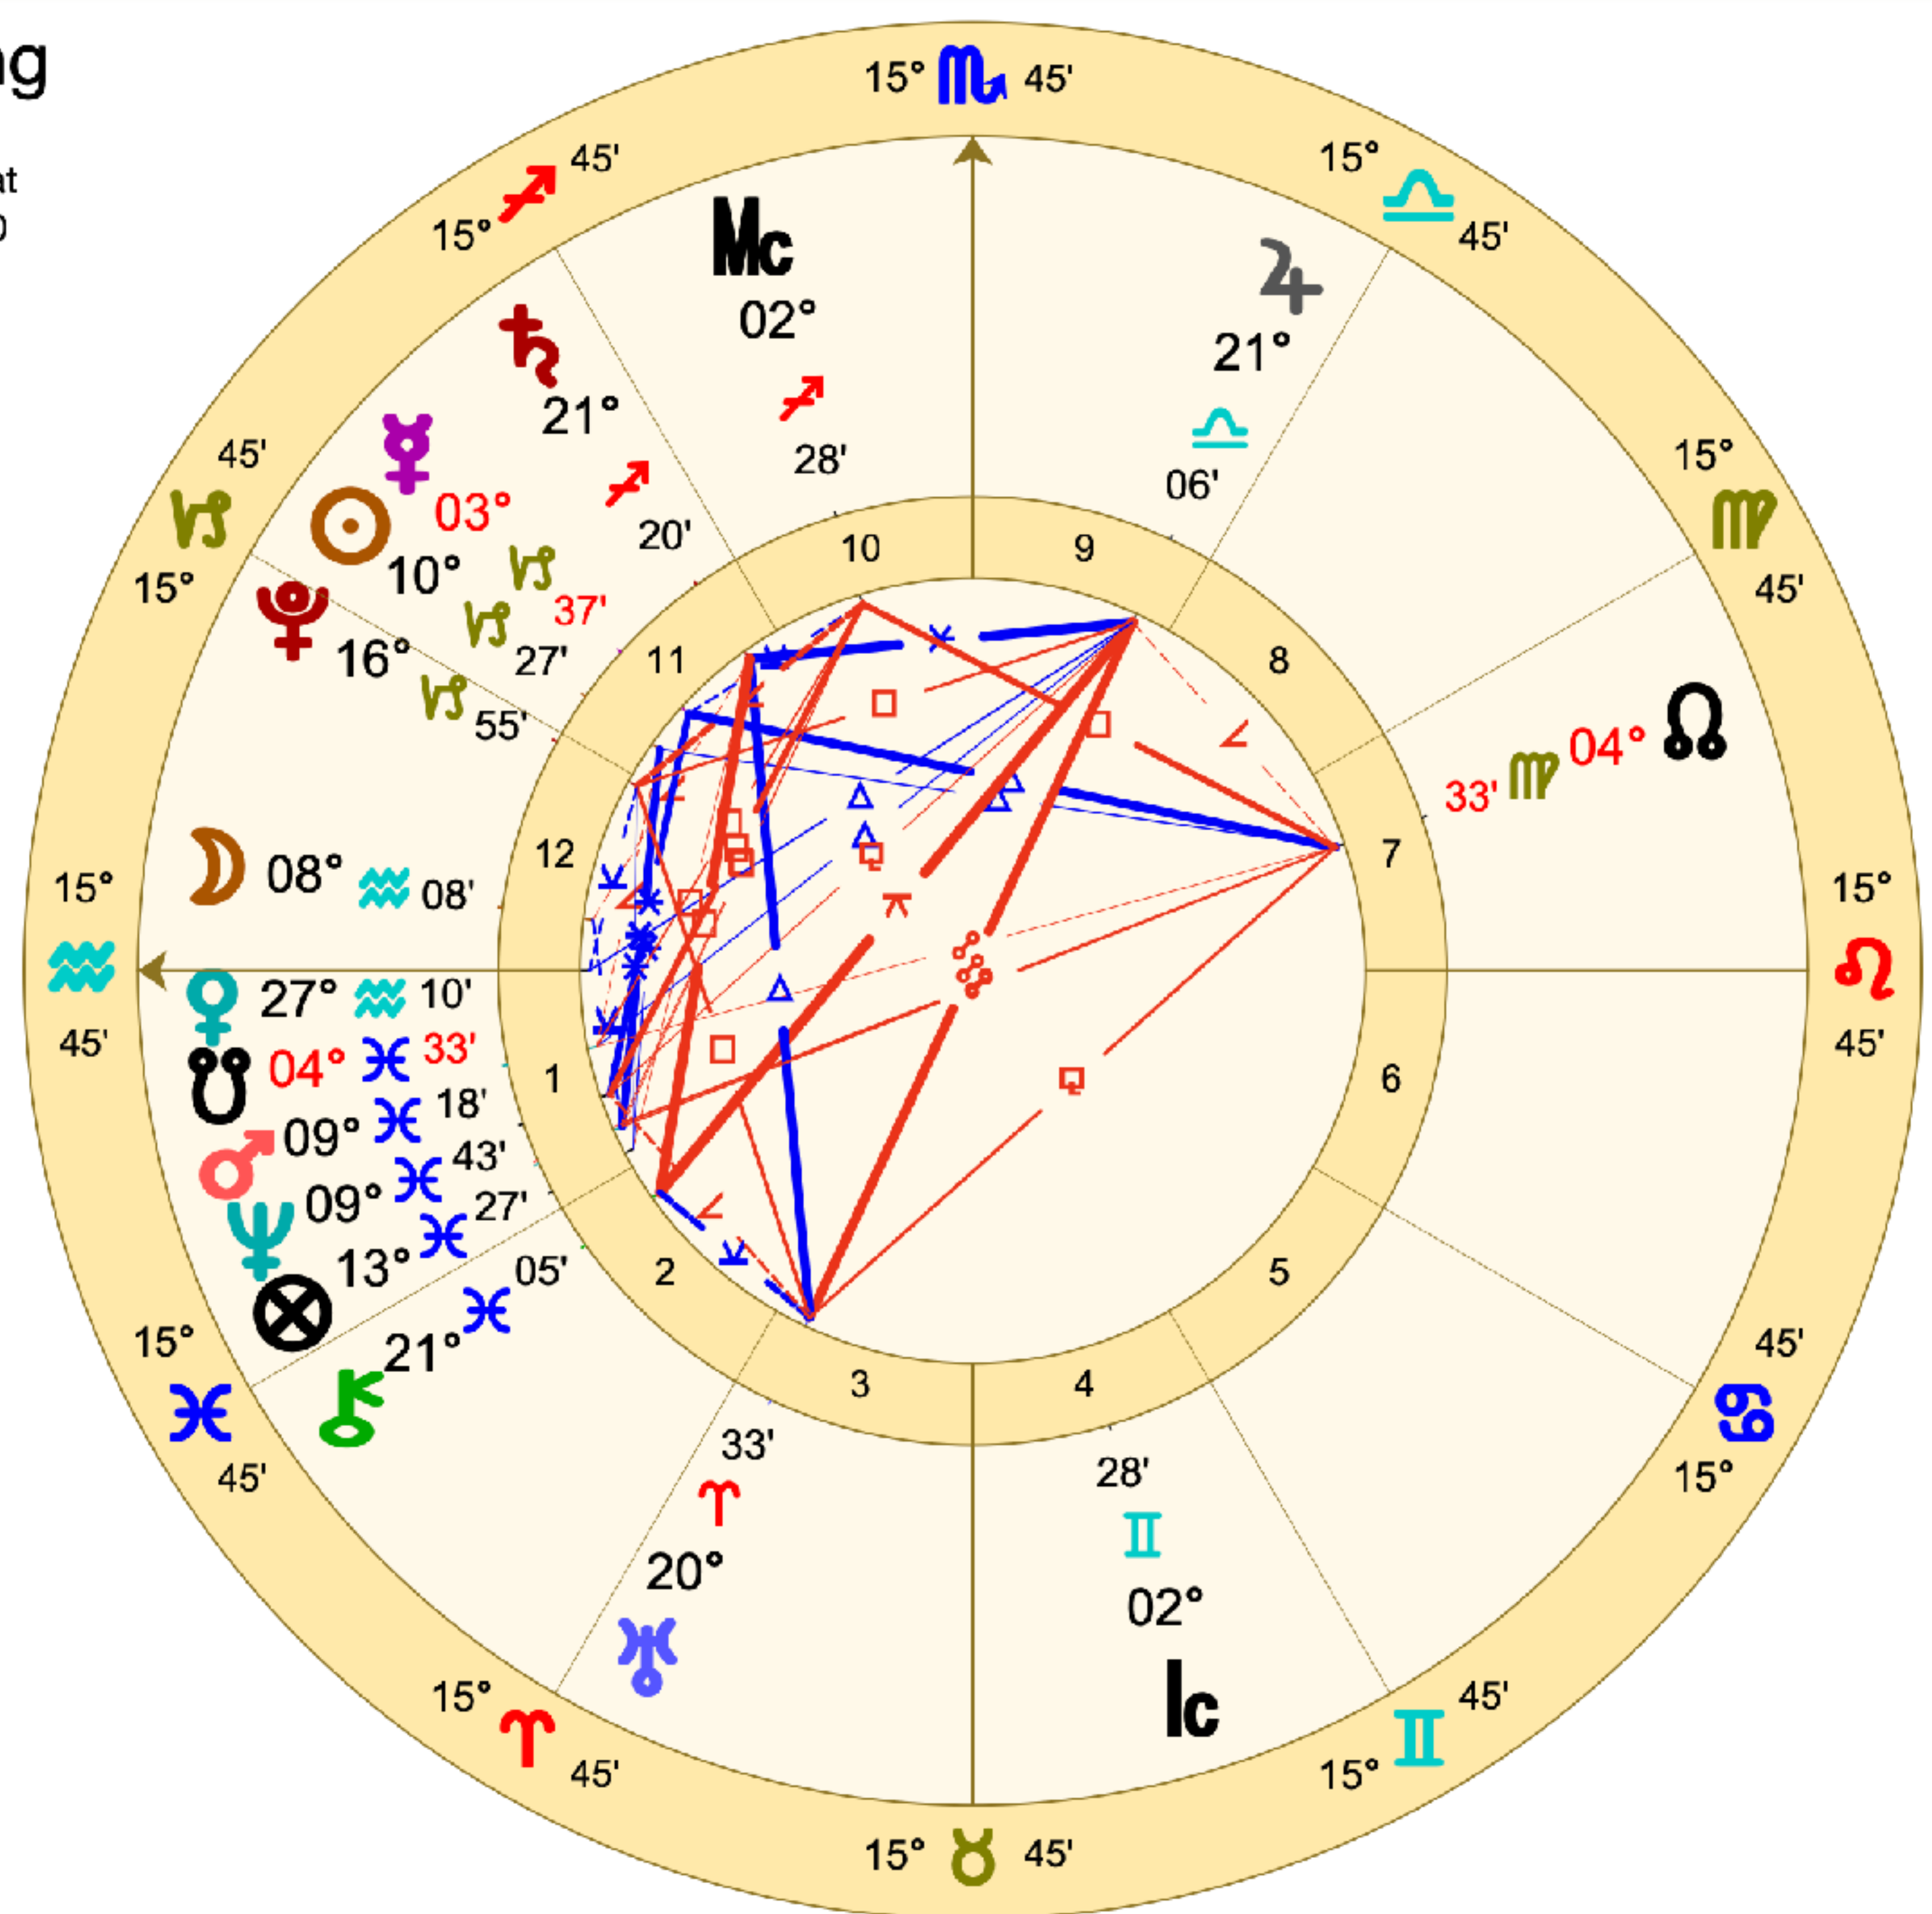

- e.g. Mars or Moon strongly placed in the 8th house

Minor Wins: waiting for the angularity trigger

- If you're in a casino without these aspects, you might still win by playing during the following times:
 - Wait until ... TR Venus or Jupiter on the Ascendant, Midheaven or Descendant of the **chart of the moment** (have an instant chart ready on your phone)
 - Ideally just on or after (1°) the conjunction
 - If you have a choice (of when you gamble), choose the degrees of the ASC and MC around these times that best suit your natal angles/benefics
 - Final degrees of signs on the ASC or MC have a special energy
 - 29° Sagittarius on the ASC (and 29° Leo) are the most fortunate degrees
 - **If you can't elect, choose a game with images/name that reflect the ASC sign**

This Evening; chose a slot machine/pokie with a Leo or Jupiter in Gemini theme/name

What's going on in the sky during this weekend?

- **Lucky Times During the Conference** (5pm Sat to Mon evening)
 - Don't blame me if you're lecturing or sleeping at any of these times! Or just don't blame me, period.
 - Especially good if the angles of these times activate by conjunction your natal benefics or angles

- **SATURDAY**

- **20:25-20:30** (ASC 29°♍)
- **20:30-20:40** (Jupiter 11°♌)
- 21:10-21:15 (Venus*)

- **SUNDAY**

- 01:40-1:50 (Jupiter 11°♌)
- 02:55-3:05 (ASC 29°♌)
- 08:45-08:50 (Venus*)
- 15:00-15:05 (Venus*)
- 15:20-15:30 (Jupiter 11°♌)
- **20:20-20:25** (ASC 29°♍)
- **20:30-20:40** (Jupiter 11°♌)
- 21:10-21:15 (Venus*)

- **MONDAY** (the Moon in Libra trines Jupiter in the morning)

- 01:35-1:45 (Jupiter 11°♌)
- 02:50-3:00 (ASC 29°♌)
- 08:45-08:55 (Venus*)
- 15:15-15:25 (Jupiter 11°♌)
- **20:15-20:20** (ASC 29°♍)
- **20:25-20:35** (Jupiter 11°♌)

*Venus (15°-18° Pisces) is hampered by a conjunction to Saturn, so avoid Venus until it separates from Saturn on Sunday afternoon
